New universal smartphone adapters for DELTA 30 and DELTAone

Dear valued partner,

With **two new universal smartphone adapters**, we now offer even more flexibility to practitioners using the **DELTA 30 and DELTAone** for digital documentation.

Universal adapters smartphone DELTA 30 and DELTAone:

- ✓ Compatible with all common smartphone types
- ✓ Secure hold for the smartphone
- ✓ Firm magnetic connection to the dermatoscope
- ✓ No need for a specific smartphone mounting case

K-000.34.271	Universal smartphone adapter	DELTAone	SRP 79,00 EUR (excl. VAT)
K-000.34.272	Universal smartphone adapter	DELTA 30	SRP 79,00 EUR (excl. VAT)

Pictures of the new universal smartphone adapters are available for [download here](#).

With our new smartphone adapters, we offer a solid solution for digital documentation with different smartphones in combination with the HEINE DELTA 30 and DELTAone dermatoscopes.

An overview of all currently available adapter solutions for HEINE dermatoscopes is available on our [website](#).

With best regards from Gilching,
Your HEINE Team
